Engineering Education

AAEE Flash News

Upcoming Deadlines - March 2020

We've put together a list of upcoming deadlines relevant to the AAEE community. All close during March, see the links for further information. If you have something you'd like featured, please email ashlee.m.pearson@gmail.com.

Journal Special Issues

- **01 March** – *Australasian Journal of Engineering Education* [Call for Papers for Special Issue on Ethics in Engineering Education and Practice](#) Closes
- **13 March** – *Higher Education Research and Development* [Call for Papers for Special Issue on Ō tātou reo, Na domoda, Kuruwilang birad: Indigenous voices in higher education](#) Closes

Positions Open

- **10 March** – Higher Education Research and Development Society of Australasia (HERDSA) [Call for Nominations: HERDSA President](#) Closes
- **15 March** – *European Journal of Engineering Education* [Associate Editor Applications](#) Close

Conference Abstracts

- **01 March** - [European Society for Engineering Education \(SEFI\) Annual Conference](#) Abstracts Due (Conference 20-24 September Enschede, Netherlands).
- **15 March** - [International Society for the Scholarship of Teaching and Learning \(ISOTTL\)](#) Abstracts Due (Conference 27-30 October Perth, Australia)

Events and Professional Development

- **04 March** - [UNESCO World Engineering Day for Sustainable Development](#)

- **06 March** – Journal of Engineering Education (JEE) [Mentored Reviewer Program Mentee Applications due](#) (for information on the program please see the [American Society for Engineering Education website](#))
- **22 March** – European Society for Engineering Education (SEFI) [Summer School for PhD Students in Engineering Education Research Applications](#) close

Job Opportunities

Australasia

- **29 February** – [Teaching Academic, Aviation, Swinburne University of Technology](#)
- **10 March** – [Lecturer, Education Specialist, School of Computer Science, The University of Adelaide](#)
- **10 March** – [Director of the Technology Education Centre \(Level D/E\), The University of Adelaide](#)
- **15 March** – [Head of School, School of Civil and Environmental Engineering, QUT](#)
- **22 March** – [Dean of Programs, UniSA STEM](#)
- **31 March** – [Lecturer/Senior Lecturer/Associate Professor \(Level B/C/D\), College of Engineering and Computer Science, ANU](#)
- **31 March** – [Professor \(level E1\), College of Engineering and Computer Science, ANU](#)

International

- **27 February** – [Professor in Engineering Teaching and Learning \(Education\), Kings College London](#)
- **01 March** – [Reader in Engineering Teaching and Learning \(Education\), Kings College London](#)

See the [American Society for Engineering Education \(ASEE\)](#)'s Job Opportunity Board for a wide range of exciting upcoming opportunities across multiple disciplines, position levels and institutions, primarily in North America. For example:

- [University of California, San Diego](#) – Department of Mechanical and Aerospace Engineering with two (2) Assistant Teaching Professors and six (6) Assistant Professors positions
- [University of Missouri, College of Engineering](#) – Dean
- [University of Toronto](#) – Assistant Professor Teaching Stream in Design, Safety and Fundamentals in Chemical Engineering
- [Northwestern University](#) - Post-Doctoral Fellow in Centre for Leadership for those interested in academic careers in leadership studies, management, teamwork or a related field
