

CALL FOR PAPERS

ŌTAUTAHI CHRISTCHURCH AOTEAROA NEW ZEALAND

**35TH AUSTRALASIAN
ASSOCIATION FOR
ENGINEERING EDUCATION
ANNUAL CONFERENCE**

8-11 DEC
2024

THE ENGINEER AND THE WORLD

Te Whare Wānanga o Waitaha | University of Canterbury, with the support of Ara Institute of Canterbury (Ara), are proud to host the 35th Australasian Association for Engineering Education Annual Conference (AAEE 2024).

The title of the conference is “The Engineer and The World”, reflects the International Engineering Alliance’s recognition of the need for future engineers to advance the achievement and sustainment of the [United Nations Sustainable Development Goals](#) (UN SDGs). AAEE 2024 will catalyse and inform future innovation and research on integrating more sustainability into engineering education.

Nau mai haere mai ki Ōtautahi! We look forward to welcoming you in Christchurch!

Topics of Interest

Authors in all areas of engineering education are invited to submit abstracts for a conference paper, with a particular emphasis on the following topics:

- Innovative pedagogy
- Learner perspectives
- Graduate outcomes
- Community and industry needs

Authors are encouraged to identify alignment with the [UN SDGs](#).
